

The ²⁰²²
AUTUMN
Collection

We create a mood in your

home

As the leaves start to fall and the air gets crisp, we embark on a peaceful journey that leads us home! Through periods of uncertainty, we seek out comfort in simple, uncomplicated moments.

Humble design brings forth a sense of grounding that puts both the eye and mind at ease. In this post-lockdown era we find peace in timeless colours that feel both familiar and comforting. Take a step into our Autumn | Winter 2022 universe and feel the comforting embrace.

Cool blue tones live alongside sedimentary neutrals in this nature infused palette while pops of subtle green, golden yellow and rich berry are sprinkled throughout. A cozy colour palette balanced between warm neutrals and deep moody hues signals to our brain that it is ok to slow down and care for our nearest surroundings.

Sophisticated details and refined essentials find their way into our homes reminding us that we can once again host gatherings with our loved ones.

Warm minimalism and soothing simplicity bring forth a state of elevated comfort and a revitalizing energy to our homely sanctuaries.
